# Chapter 1

## Introduction

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

## Chapter 2

### Label chapter

You can label chapter and section titles using `{#label}` after them, e.g., we can reference Chapter [1](#). If you do not manually label them, there will be automatic labels anyway, e.g., Chapter [7](#). This solution works fine online and PDF format but doesn't work in ePub format.

Other way to work with label chapter [Link to bibliography](#). Work fine online and ePub format but PDF format get previous page.
